

LIFE ON THE FRONTLINE

Make a difference wherever you are...

We may be old or young; healthy or infirm; rich or poor; employed or not. We may be busy or bored; optimistic or pessimistic; radically cutting edge or relatively retro. Whoever we are, as Christians, we have at least one thing in common: we each have a Frontline.

- *Your Frontline:* the place where you spend much of your time
- *Your Frontline:* the place where you meet people who don't know Jesus
- *Your Frontline:* the place God has called you
- *Your Frontline:* the place of possibility and potential

Often though, we don't see ourselves, our workplaces, homes, colleges and clubs in this light. But what might God want to do where we are day by day? How might he use us? How will we grow?

Come along to church on the following Sunday evenings at 6.30pm:

- *January 22nd*
- *February 19th*
- *March 19th*
- *April 23rd*
- *May 21st*
- *June 18th*

to watch videos about our Frontlines - our everyday lives - and then we will discuss ideas and questions that arise!

Life on the Frontline explores some core questions about how God might use us to make a difference in today's world. Where we live and work matters deeply to God. These places may seem 'ordinary', yet they offer extraordinary potential to grow in faith and join with God in His mission in the world - they are our Frontlines.

As we learn to follow Jesus on our Frontlines we learn to be agents of transformation. We love, work and pray for these people and places. We want them to flourish, we long for people to know Jesus. We want healing and wholeness for them and for our nation. As Christians, we are not only blessed ourselves, but are privileged to mediate and embody God's blessing to others.

This can sound daunting, but the Bible encourages us to be aware of the Spirit's constant presence with us. We also have each other, and Jesus' promise was that His disciples would bear fruit. We don't think He only had in mind Christian superstars, we think He meant people like us!

The hope is that *Life on the Frontline* will provide lots of opportunities to understand each other's Frontlines; that as people share their lives with one another they will grasp what God is able to do in and through them. Ultimately our prayer is that we will help one another live fruitfully as whole-life disciples - wherever we are!
