The Fooks

John and Dorothy would like to go to Steve's induction but need a lift. Dorothy needs to sit in the front. If you are able to volunteer, please let Annette know.

Church Library

In the new year we hope to provide a library that will inspire, educate and help you to grow in faith. We're not buying new books because we want your books! Do you have 2 or 3 books that have really transformed you that you are willing to donate? Please speak to Jill Chitty

Please Pray For...

John Fooks

Please pray for John as he recovers following a fall at home.

Chris Cooper

Chris is Back at work on half days, awaiting test results

Alan Butler

Pray for Alan, Margaret and all the family, Alan was unwell while on a recent holiday in America. Now home, he is waiting to see a consultant about possible liver problems.

Warnakulasuriya Family

Shehany and her mum Nilmini have been moved to Plymouth. They've been separate from Kalum for a while now which has been hard on all three of them and he's still having to go to people's homes each night for Night Stop to prove he's destitute (his case is dealt with separately from theirs). Plymouth is completely unknown to the family and they feel very lonely and isolated, please continue to pray for the family at this time.
